

*Join City Ventures & Barbara Geiger  
for an unforgettable tour!*

## **GREEN BY DESIGN**

**Thursday, August 22 9:00AM - 4:00PM**

**Chicago Center for Green Technology, The Plant,  
Christy Webber Landscapes, Lunch at Phoenix**

*Christy Webber Landscapes*

*The Plant, Bridgeport*

Going green can be surprisingly sleek and sophisticated. Join City Ventures and landscape historian **BARBARA GEIGER** for a look at some of Chicago's leading green sites--beautifully designed, sustainable, and environmentally friendly. Visit the **Chicago Center for Green Technology**, the first rehabilitated municipal building in the nation to be rated LEED® Platinum and walk its green roof. Next have a behind-the-scenes tour of Christy Webber Landscapes award-winning **Rancho Verde**, a 12+ acre "eco-industrial park." After lunch at **Phoenix Restaurant** in Chinatown, tour **The Plant**, a unique visionary post-industrial site in Bridgeport. Finish the day feeling inspired and hopeful for Chicago's future!

*Barbara Geiger teaches in the College of Architecture at the Illinois Institute of Technology  
and the Chicago Botanic Garden.*

*She is the author of the book, "Low-Key Genius: The Life and Work of Landscape-Gardener, O. C. Simonds"*

*Please note: This tour requires considerable walking, standing, and some stair climbing.*

*Tour cost: \$95/person \$5/off coupons valid for this tour Group discounts not available for this tour.*
